#7 **The RESOLUTIONS PASSED Button has been updated on the Global Youth Justice Website.**

Seven (7) resolutions have now been passed in to expand Youth Justice programs since 1995. At Global Youth Justice we frequently receive requests for copies of one or more of these resolutions, so we created a

section on the Global Youth Justice website dedicated to resolutions passed in support of the expansion of local Youth Justice programs.

#6 Join Twitter and Help Fuel the Youth Justice Expansion.

It is time for more local Youth Courts, Teen Courts, Peer Courts, Student Courts and Youth Peer Panels to jump on in the “Social Networking World”. These things are often free, as long as you have youth and adult volunteers/staff to work on them.
